

SECTION V

Needle and Thread Division

All categories are for **FEMALE** contestants only. Contestants must make girls'/ladies' garments. No children's garments are permitted, except in crochet and knitting. Contestants are allowed to submit one entry per category and must not receive help on their projects other than instructions.

At the AASC, male students may enter Needle & Thread events; however, no ISC nominations may be earned.

All fashions must meet A.C.E. dress requirements. Do not submit miniskirts, slacks, pantsuits, shorts, bathing suits, sleepwear, or garments with low necklines. Slits in skirts/dresses must meet the A.C.E. dress standard—slit no higher than the bottom of the knee. These rules also apply to the subjects used in **Needlework** entries. Thin or "see-through" fabrics must be fully lined WITH OPAQUE MATERIAL; LACE MATERIAL IS SEE-THROUGH.

No Needle/Thread entry should attempt to portray the face or image of Christ.

Please note: **Latch-hook** is not allowed. Projects must be **completely** finished to be eligible. The contestant is encouraged to be creative and vary from the pattern. If this is done, the differences should be explained on the Needle/Thread Report (CF49). Points are given for originality.

ALL NEEDLE/THREAD ENTRIES MUST HAVE BEEN STARTED AFTER THE TERMINATION OF THE PREVIOUS ALL AFRICA STUDENT CONVENTION. Exception: Quilts may be started 15 months prior to the current AASC (i.e. 3 months before the previous AASC).

Checklist for Needle and Thread:

1. Pattern (only those pieces used).
2. Needle/Thread Report (CF49).
3. Judge's Forms—Three (3) copies with name, school, customer number, address, and entry.
4. A 3" x 5" card **MUST** be attached to each piece of the entry with the following information: print or type the student's name, school name, customer number, school address, city, province/region, postal code, and category entered.
5. Plastic bag to hold pattern, Needle/Thread Report, and Judge's Forms. Attach bag to hanger of garments. Attach with safety pin to Needlework entry, or secure to back of frame as applicable.
6. A COLOR PHOTOGRAPH OF GARMENT BEING MODELED. (This does not apply to Needlecraft items such as sweaters.)

Note to Sponsor: Be sure the contestant enters her project in the correct category. Review the Judge's Forms to see where points are given and make sure that the entry includes each point. Seam finishes are judged according to the work involved as well as neatness. **Christian appearance is a must in all entries.**

HINTS FROM THE NEEDLE/THREAD JUDGES

The qualities the judges look for are originality and careful attention to details. High points are given for neatness, cleanliness, uniformity, and precision (finishing for presentation).

GARMENTS: Be creative. Fit your pattern to meet your body shape and size, and the color should be appropriate for your personal color palette. It is very important to be modest. Pay close attention to where seams, buttons, decorations, necklines, and hemlines are positioned.

Use the right size and type needle for your chosen material. Remove all gathering and stay-stitching. Grade all seams and top stitch facings. Blind hemstitch all hems, hiding as much of the stitching as possible. Attach hooks and eyes as smoothly as possible (no bulky stitches). Smooth sewing adds points in two areas, "Hand Stitching" and "Overall Beauty." Finish seams, even those under your lining. (A portion of the lining must be left open for judging).

Higher points will be received for the more difficult seam finishes. A proper seam finish should be used according to the type of material. Wools are usually bound, crepes need French seams. Zigzag and pinked seam finishes are the easiest and will receive the least points. **Serging is only allowed for finishing.** Pressing as you sew is very important. Even though a garment is slightly wrinkled en route to the Convention, the correct pressing of each part as it is assembled will be evident to the judges. Bound buttonholes, where appropriate, will receive higher points than machine buttonholes. Cover all shoulder pads. Try to stay away from "key hole" openings. Replace them with buttons and buttonholes or a zipper. Choose appropriate fabric and pattern for the category.

HINTS FROM THE NEEDLE/THREAD JUDGES

The qualities the judges look for are originality and careful attention to details. High points are given for neatness, cleanliness, uniformity, and precision (finishing for presentation).

NEEDLEWORK: It is best not to have any knots or loose ends. When working with an even number of threads, you may cut your thread twice the length needed, fold in half, thread loose ends through eye of needle, bring needle up from back side of fabric, go down and catch loop end of thread with needle. Now you have started your work without knots or loose ends. To tie off without knots, simply hide ends in same color thread as previous stitches.

When framing your needlework picture, DO NOT PUT GLASS in the frame. The glass distorts stitches and makes judging difficult.

QUILTS: Quilting stitches (the stitches that go through all layers of the quilt) are what the judges are looking for. "Tying" is very easy, and cannot compare to actual "quilting." Hand-quilting will receive higher points than machine-quilting.
